Why Did I Try

Who am I after I die
And gone away somewhere in the sky?
Certainly not who I was before;
My success won't be remembered anymore.

Why did I try for goals so high?
Was this phase of time just one big lie?
Have we all been tricked for a laugh or a joke
To fight and kick in the dust till we choke?

Have we been led on a trail only to find
That there never was a real gold mine?
Why did I ache, and sweat, and bleed,
For some kind of cause that they really didn't need?

I worked to the limit till I got what I sought!
Is my life's success just going to be forgot?
Will my wants, and wishes, I had in life
Be just objects of vain and strife?

Will the Lord refuse glory on mortal things,
Or only the glories that religion brings?
Should we not care, but only for him,
To be good and honest and not to sin?

Are we to love and stand by him for what he means,
And not try to pursue any personal dreams?
To devote every minute to him till the day
That he decides that it's time for us to go away?

Or should we develop other elements of our lives,
And do them for God till the day that we die?
To try at anything as hard as we can,
And let him help us with a guiding hand?

To strive for perfection in every thing we do,
Will God care about this after we're through?
I've often wondered if this all is a lie,
I guess I won't know till the day I die!

WASCONIAN SALUTES A LIFETIME OF SERVICE

Ruth O. Arkley was born on a ranch in Orange Cove, California. After high school, she attended Fresno State College. This was followed by one year at Berkeley. She spent many of her summers working as a life guard at a Y.M.C.A. camp on Lake Sequoia. Her first teaching job was in Kerman, California. It was there that she met Jake Jacobsen, whom she later married. A daughter Lynn, was born to the Jacobsens and the three soon moved to Wasco. It was in Wasco that son Richard was born. During this time, as a housewife and mother, Ruth was very involved in the lives of her children. Particularly, they enjoyed showing horses all over the state of California. Ruth started teaching again in 1955-56 as a substitute P.E. teacher at East Bakersfield High School. The following year saw Ruth Jacobsen teaching P.E. and counseling at Wasco High School. In 1968 she took on the job of Head Counselor. Some of her hobbies include fixing things around the house. She is quite adept at carpentry, painting, wallpapering, etc. A super seamstress, she makes most of her own clothes, and a great many for her daughter and granddaughter. She is a genius on her knitting machine, and has been moonlighting at art shows successfully selling her wares. She has a beach home in Cayucos where she spends weekends and summers. She has traveled extensively all over the United States, Canada, and other parts of the World, Europe, China, Japan, South America, and Mexico. She has purchased a motor home and plans to travel a great deal after she retires. Ruth Jacobsen has served the students of this high school for many years and she will be long remembered. We wish you happy and exciting years for your retirement.

The Senior officers got it together early this year to make the Class of 1978 active and involved. Hoping to make needed money, the Class sold pom poms for Homecoming and sponsored a successful dance. With the winning Homecoming float, the Seniors showed their willingness to work together toward a common goal. The organization that these officers developed made the Senior Class of 1978 the Best Ever.

You Light Up My Life

This year's Wasco Tiger Band was under the direction of Mr. Michael Bhone. At Arvin, the Tiger Band competed in the halftime competition and there the band took first place over the Shafter band. This success led to an invitation to perform at Magic Mountain and Disneyland. Also the band has been invited to Hawaii and Europe. Many bright and exciting plans are in preparation for the Wasco High Tiger Band. This year the band has shown great enthusiasm and ability. They all expect to continue in this spirit for many years to come. Mr. Bohne says his band is #1!

This year the Jazz Band is under the direction of Michal Bhone. They have done many things. They will host the 17th annual Wasco Jazz Festival here this year. They also are traveling to Reno for the Reno Jazz Festival. As an activity they sold candy. Jazz Band is not a class, so they must strive toward perfection on their own leisure time. The Jazz Band is a real credit to the school.

During the past year, the chorus has been kept busy doing various programs. One performance was for the Kern County Board of Trustees annual meeting, in which there were approximately eight-hundred pleased people. The chorus also performed at a Christmas concert at the Methodist Church. The chorus has also showed their talent at a benefit performance in Shafter.

In the past, the chorus has had many outstanding accomplishments and they plan to continue doing the same admirable job in the future.

Advisors are Mrs. Schroeder and Mrs. Rowbottom. Their officers are: President, Penny Wheat; Vice President, Kim Rogers; Treasurer, Robin Amey; and Secretary, Terri Woolly.

The Song and Rooters Club is a club trying to promote spirit on and off the campus. They have done numerous things to raise money; one of the most successful was selling megaphones. They also did some very funny and clever skits at the rallies. S.R.C. has certainly done what they set out to do — RESTORE SPIRIT to Wasco High School.

The Volleyball Club would like to thank all that supported their team during the season.

F.H.A. — Team With Purpose

Officers from L. to R.: T. McHale, A. Wiebe, L. Newcomb, E. Robledo, Y. Fox, S. Carender, Ms. Cotta.

Future Homemakers of America is a home economics related occupation. F.H.A.'s goal is to promote the use of young people in the field of home economics and all related occupations. During the year they prepare themselves to compete in regional and state competitions. They compete in such areas as child care, speech, and chapter exhibits.

They wish to strive for bettering their surroundings at home and their surroundings in the outside world. They strive to influence others. They are constantly trying to make a better world for tomorrow by striving toward perfection today.

THE FUTURE BUSINESS LEADERS OF AMERICA is a national youth organization for all students enrolled in high school business programs. It is sponsored by the Bureau of Business Education of the California State Department of Eduction.

One of the major objectives of FBLA is to develop self-confidence, responsibility, and strong, aggressive business leadership so that these future businessmen and women may participate more effectively in the business and community life of which they will soon be and integral part.

FBLA earns money through such fund raising projects as bake sales, candy sales, sponsoring Homecoming King by selling Tootsie Pops, Santagrams, Spring Fashion show, etc. Members compete with other students in various business subjects on the section, state, and national levels. The Wasco Chapter had the 1977 state winner in extemporaneous speaking; this student also placed fourth in national competition.

Officers for FBLA this year are: Y. Arrambide, Pres; A. Urias, Vice Pres.; M. Hartman, Sec.; B. Struempf; Historian, M. Struempf.

The Black Student Union is a school organization consisting of about forty students who are dedicated to Negro culture and are proud of the culture of which they belong.

The goals of the Black Student Union are to make known to all Americans, that Negroes are equal, and have played an important role in American History through their annual school assembly, during National Black History Week.

The Black Student Union wishes to see that all Americans, regardless of race or sex, be recognized as American citizens with equal rights.

Each year, the Black Student Union organizes a Negro history program to be presented to Wasco Union High School along with other schools.

The B.S.U. wishes to thank the Student Body, the Administration and especially their advisors for their patience, cooperation and moral support.

Although hit hard by graduation of several outstanding seniors, the Wasco High Math Team is looking forward to another successful year. The team, composed of approximately thirty members, will again compete in the two major area contests, the Cal State Bakersfield Day, and the Central California Field Day at Fresno State. Both contests take place in the spring. Wasco has won the Quiz Bowl Tournament at Cal State Bakersfield four consecutive years and will again have to fight off a very imposing group of opponents to win a fifth straight title. Wasco has also finished in the top five schools the past six years at the Central California Field Day at Fresno.

Being a member of Math Team does not mean that one is bogged down in competition as the primary activity. Bowling-pizza parties and the Poly Roale contest allow plenty of socializing and good times. Over all, we again look forward to an exciting, enjoyable year.

The Wasco High School Chapter of the California Scholarship Federation boasts thirty-five members this year, who were eligible on the basis of their semester grades. A special point system is used statewide to determine eligibility for membership.

Led by President Audrey Barling, this group has been more active than the past groups. At Christmas, members enjoyed a progressive dinner and caroling party. Second semester activities will be a trip to Disneyland for a special C.S.F. night, a trip to a college, attending the C.S.F. spring Conference, and the annual Life Membership banquet in May.

"Get Your Facts First And Then You May Distort Them As Much As You Please." — Mark Twain

Mrs. Dixie Schroeder

Under the leadership of Mrs. Schroeder, this year's Tiger Rag staff has gotten off to a great start. Her love for journalism has established a new and efficient means of getting out the paper. Mrs. Schroeder had ingeniously split the staff into two different staffs; the "T" staff and the "R" staff.

Front Row; Left to Right: C. Crandall, T. Schulte, P. Wheat, M. Hodges, H. Shambaugh, A. Martin. **2nd Row; Left to Right:** A. Lockler, K. Rogers, B. Schroeder, D. Santiago, R. Amey, J. Lacy, R. Messick. **3rd Row; Left to Right:** Mrs. Schroeder, T. Jorgenson, D. Linton, T. Cole, D. Hester, D. Miller, W. McDaniel.

Tony Cole, Diana Miller, Kendall Funk.

To better utilize staff members, the Tiger Rag split their staff this year. Each staff is responsible for every other paper. With Kendall Funk as Editor-In-Chief, Tony Cole as Assistant editor on the "T" staff and Diana Miller assistant editor on the "R" staff. The feeling is that every member has a chance for more responsibility. This year's staff has coverage of student activities. Also they feel that each student's voice deserves to be heard and they want the Tiger Rag to be that vehicle for that voice.

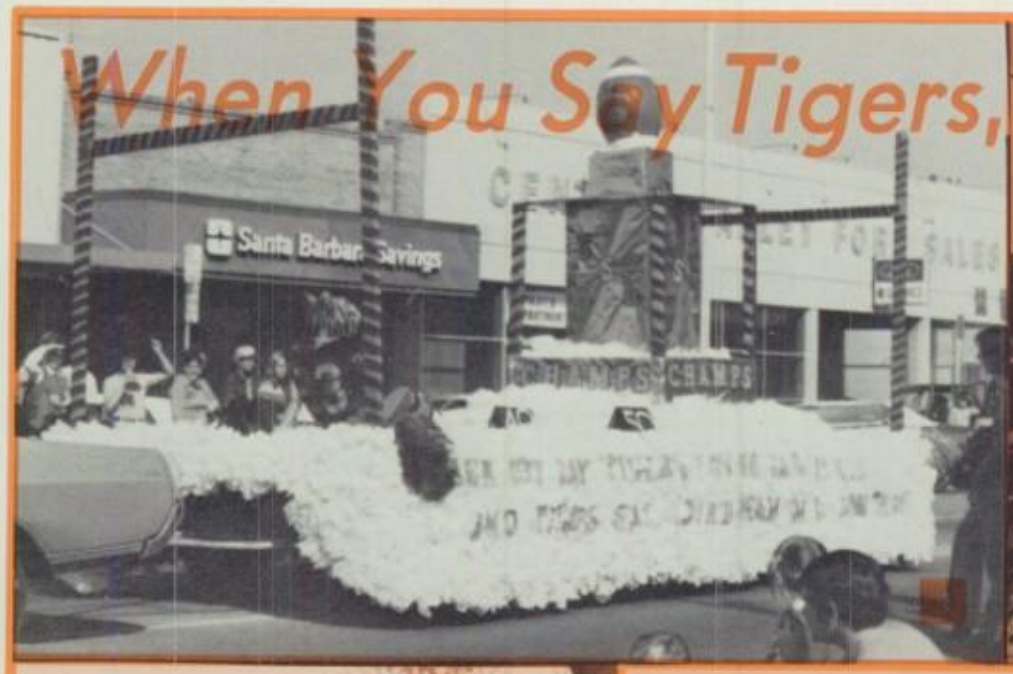
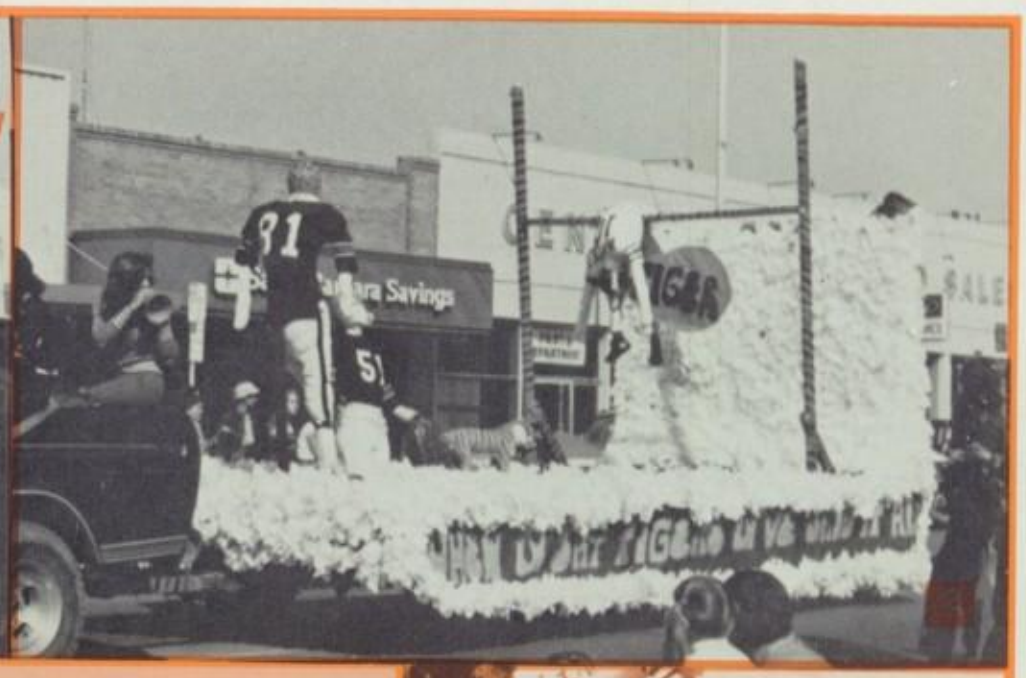
When You Say Tigers,





On the night of October 21st, Wasco High celebrated Homecoming "77." It was a special night for freshman class candidate Abby Arciniega as she was crowned "77"-"78" Homecoming Queen. The Queen was escorted by Roger Duke. The Senior class candidates were: First Runner-up Tracey Frost, escorted by Barry Bolin; and Kim Azevedo, escorted by Tommy McGuire. The Junior class candidate, escorted by James Cotter, was MaryAnn Penalber. The Sophomore candidate, Sandy Elmore was escorted by Jim Bellanger. The Homecoming game was accented by the class floats. The class of "78" captured first place (pic. #1). The freshman class trailed with a close second (pic. #2). The Sophomores were presented with third place (pic. #7). Last but not least, the class of "79" pulled a fourth (pic. #8). At the aftergame dance, Clint Carr was crowned Tootsie Pop King.

Spirit Is Turned Into Action

On October 4, 1977, the 10th Annual Junior-Senior Powderpuff game was played. The girls worked hard for this game. The excitement started at the afternoon rally and continued throughout the night. The captains of the two teams met with the officials in the center of the field. The Juniors won the toss and chose to receive. A score was made in the first quarter by the Juniors when Pat Dillingham ran a punt return all the way to the end zone. In the second quarter the Seniors had a long drive which turned into a touchdown for them. Leading the Senior attack was Sarah Saindon and plunging in for the score was Stella Garcia. Neither team gave an inch in the 3rd and 4th quarters. Both teams fought hard, and when the gun sounded ending the game, the score was a 6-6 tie.

The year was accented by various rallies. Some were good and some didn't turn out so hot. The Rally Committee really tried to make this year's rallies the best, but the students have to help too! If the Student Body isn't going to participate at rallies but instead sit and stare at the walls or cause trouble, then there isn't any use in having rallies. Maybe we haven't had very many rallies, but it's the fault of the Student Body. Everybody wished there had been more rallies but they didn't care enough to give their respect and support to the Pep Squad, athletic teams, or to anyone that happened to be speaking. Debbie Santiago did a very good job running the ralies. It's very hard to run a rally when there is no cooperation. It takes coaches, teams, and students working together to make goorallies.

The assemblies this year, due to the modernizing of the Auditorium, were very few. The behavior of the students, at those assemblies held in the gym, did little to contribute to their success.

To make the assemblies better than years before there has to be help from the Student Body. Assemblies are for our entertainment; students should be proud to help. Besides presenting the National School Assemblies, the Student Body also supports our student plays and musicals.

Mr. Madland, our Drama coach, was director of the play, **Here and Now.** As in the past, our plays evidenced creativeness, and a great deal of hard work. The students out for the play seemed to really have a good time with many varied experiences. It really gives students a chance to become involved. Mr. Madland also directed a musical this year, **My Fair Lady.**

The theme of the 1977 Snowball was "Home at Christmas." On Saturday night, December 17, Hawaiian Express filled the Wasco High School gym with music. The class of "78" elected Marlynn Bangs and Phyllis Devoe; for Snowball Queen candidates, they were escorted by Mike McCaslin and Jim Hicks. The Juniors chose Valerie Newman as their candidate, Eddie Nixon proudly escorted her. The Sophomores and Freshman had Kimberly Rogers and Terri Nixon as their candidates. They were escorted by Jerry Bozarth and Jack Pedro. As the night progressed Stan Newman, the master of ceremonies, announced the 1977 Snowball Queen. Valerie Newman received the honor. There was a very good turn out at this year's Snowball and everybody seemed to have a really good time.

Good Grades Pay Off In Honors

Life C.S.F. hangs out on the corner.

Say cheese.

Is this how you get good grades?

Kendall, what do you see?

This year eleven C.S.F. students have achieved the honor of Life membership. To achieve this honor they had to be members of the California Scholarship Federation for four semesters during the last three years of high school, with one semester during their Senior year. They are honored at a banquet put on by the C.S.F. At the banquet they are presented with a gold cord and a gold lamp pin. These students can be recognized during the graduation exercises by their gold cords.

Staters Show Knowledge At Sacramento

Last summer Debbie Hernstedt, Greg Causey, and Kendall Funk represented Wasco High School at Boys' and Girls' State, which was held at Sacramento State University. Girls' State was held the week following Boys' State. These students spent seven days learning about our local, state, and federal governments. They not only learned about our government but they met many new friends. They each participated in a mock government made up of all the students attending. They were kept very busy, and enjoyed learning about the United States Governments. Congratulations to you three for being nominated to represent Wasco High at Boys' and Girls' State.

The Bank of America award certificates were given to thirteen students this year. These students represent a specific field in which they have done exceptionally well. They were as follows: Kim Azevedo — Agriculture; Cathy Bozarth — English; Gregg Causey — Mathematics; Evalynn Collins — Art; Lan Jones — Laboratory Science; Teresa Jorgenson — Social Studies; Shelly McLaughlin — Drama; Valerie Newman — Business; Phillip Ornalez — Music; David Reimer — Trades and Industry; Julie Richardson — Foreign Language; Angelica Vega — Home Economics.

Three top students received Bank of America award plaques. Marlynn Bangs represented Fine Arts, Audrey Barling represented Vocational Arts, and Bernitta Bone represented Liberal Arts.

The One And Only

Jackie Forbus, a sophomore at Wasco High, was the only musician from Wasco to be chosen a member of Kern Honor Band. This was a great achievement for Jackie. She had to work very hard to accomplish this goal; a goal of which many band members dream. It took dedication, many hours of practice, and committing herself to her music. It doesn't matter if a person plays clarinet, trumpet, flute, or drums; it takes a great deal of time. Jackie spent many hours working with Kern Honor Band. All this practicing finally paid off and she had a chance to demonstrate her ability. The night of the concert Jackie felt the practicing was well worth it.

Congratulations,
Jackie

F.F.A. Story

The past year the Wasco Chapter F.F.A. and Agriculture Department have made changes, participated in many activities, and won awards. The parley-pro team of David Ward, Kristi Azevedo, Terri Woolly, and Sharron Morley participated in the region; the novice parley-pro team won second in section and second in region and went to Pomona for semi finals.

Chuck Sutton exhibited the supreme grand champion hog at Junior Cow Palace 1977. Exhibiting at the Cow Palace were Chuck Sutton, David Sutton, Eddie Evans, and Brad Allen. The F.F.A. took the North Kern Orthopedic School children to Disneyland for a day. The Wasco F.F.A. delegates to state convention were all girls, first time ever. The delegates were Teresa Schulte, Teri Woolly, and chapter sweetheart, Kristi Azevedo. June was a month of change. Mr. Cheatwood left the department, continuing in social studies; Mr. Gibeson resigned; and Mr. Betita resigned to teach full time with R.O.C.K.

New teachers to the Ag. Department are Mr. John Albertson and Mr. Phil Machado. Mr. Craig remained as department chairman. The Rose Festival in September featured the 70th anniversary of Wasco. Wasco F.F.A. prepared barb-q for 2500 people and won first in their parade float division. Wasco was well represented at Kern Fair, exhibiting livestock, crops, and ag mechanics. Exhibiters include: Penny Applewhite, Kim Azevedo, Henry Bloemhof, Jon Bushnell, Dennis Colbert, Cindy Crandall, Cindy Cutner, Melissa Hodges, Sharron Morley, Mark Osteen, Debbie Santiago, Deann Settlemire, Mitchell Smith, Chuck Sutton, David Sutton, Lydia Villanueva, Gordon Williams, Cindy Wright, Steve Yursik, Brad Allen, Mark Anderson, Adrienne Craig, Warren Craig, Tony Deas, Tommy McGuire, Todd Millar, Allen Reaves, Rick Short, Kelly Urquhart, John Tackett, Kristi Azevedo, Audrey Barling, Dwight Jones, Vicki Ledbetter, Janet Lucas, Cheryl Moreland, Danny Nugent, Kevin Rhea, Mandy Santiago, Isaac Wilson, Juan Sandoval, Richard Mozingo, Mike McCaslin, Ben Hunsucker, Mike Hamlin, Dennis Colbert, Joey Chernabaeff, Terry Summers, Kelly Urquhart.

Opening and closing ceremony team won first. Novice team placed third. Chapter officers team included David Ward, Kim Azevedo, Terri Woolly, Melissa Hodges, Kristi Azevedo, and Isaac Wilson. On the novice team were Vickie McCurdy, Rhonda Wright, David Chernabaeff, Betty Struemph, Monica Gallardo, and Emily Rubio. Adrienne Craig represented Wasco in the creed contest in Kern Section competiton. Fall semester officers were David Ward, president; Kim Azevedo, vice president; Terri Woolly, secretary, Melissa Hodges, treasurer; Kristi Azevedo, reporter; and Isaac Wilson, sentinel. Spring semester officers were Missy Kroeber, president; Terri Woolly, vice president; Sharron Morley, secretary; Cindy Wright, reporter; Lydia Villanueva, treasurer; and David Ward, sentinel.

The banquet committee chairpersons did an excellent job. They were Kim Azevedo, John Wedel, Brian Blackwell, Kristi Azevedo, DeAnne Ward, Allan Long, and Brad Allen. The speakers for the annual banquet were Sharron Morley, Invocation; Terri Woolly, Welcome; Missy Kroeber, Toastmaster; Adrienne Craig, Tim Eves, Kevin Callahan, Donna McCurdy, and Jeff Roper, Creed; Allan Long, Emblem; Danny Wilson, Motto; Juan Sandoval, Past and Present; Debbie Santiago and David Ward, Enlightenment; Kristi Azevedo, Research; and Danny Linton, I Believe.

Award winners for the evening include Kim Azevedo; Star Chapter Farmer, Mrs. Azevedo, Mother of the year, David Ward and Dave Swisshelm, Father-Son combination; Kristi Azevedo, Bank of America Certificate of Merit; Missy Kroeber, DeKalb award; Danny Nugent, Most Progress; and Tom McGuire, outstanding college student. Foundation awards included crop production, Stacy Magorian; livestock production, Lydia Villanueva; beef production, Sharron Morley; sheep production, Kristi Azevedo, swine production, Chuck Sutton; ornamental horticulture, DeAnne Ward; public speaking, Kristi Azevedo; home improvement, Jackie Kent; ag mechanics, Juan Sandoval. Award winners included Adrienne Craig, Star Greenhand, Audrey Barling, Bert Rinn Award. Robert Millar Memorial Scholarship recipients were Audrey Barling and Debbie Santiago. Barker Ironworks Scholarship was awarded to Juan Sandoval.

Norman Bartel was presented as Honorary Member; Stan Voth, Junior Citizen; and Ingwer Ketelsen, Community Citizen. Chapter Sweetheart for 1978-79 is Teresa Schulte.

The parley-pro team of David Ward, Kristi Azevedo, Terri Woolly, Sharron Morley, and Cindy Wright won second at Reedley and third at Sierra. The vine pruning team of David Chernabaeff, Jim Simpson, Kelly Buller, and Jackie Kent went to state finals in Fresno.

The very dry year required use of pump on school laboratory for the entire water supply, causing excessive cost of water and approximately 40 foot drop in ground water level. There was no double cropping for the first time. A new 10,000 gallon water tank was installed for domestic use. The F.F.A. bought a new 830 John Deere tractor and put a Trojan skip loader into service after purchase and major overhaul. Mrs. Stimson, Ray Harvey, and Ted Ruggenberg remained as classified staff for the Ag Department. The F.F.A. garden was the best in several years. Rains in late December, January, February, and March caused considerable flooding and delay in agricultural operations. Wasco is looking forward to a terrific year in 1978-79.

Women Dominate Campus

The Inseperables.

Many changes have occurred this year on campus. Bathrooms were often locked, patio was cancelled, and the modular schedule folded. The schedule was changed to seven fifty-minute periods, instead of sixteen twenty-minute mods. The students didn't mind the loss of patio because of the hassle of checking into it, but when some of the students forced the closure of the bathrooms by vandalism, it hurt the whole student body. The students adjusted fast to the changes and had a great year on campus.

No more patio or Mrs. Jefferson.

The greatest asset of every nation and community is it's youth and Wasco is no exception. The youth of this community and in particular the students of Wasco High School are a credit to the community and high school. Again this year parents and students can be very proud of the accomplishments made this year in scholarship, leadership, activities and athletics. The staff of the Wasconian has continued the tradition of producing an excellent annual that records this year's activities. It is my hope that the many examples of outstanding achievement will provide the incentive for greater effort on the part of all students in the future.

Wasco High Board of Trustees meets twice a month during every month except July, August, November, and December. The Board of Trustees is a legislative body that has the responsibility of making all the policies of the district. Our superintendent, Mr. Jack Cutner, impliments rules from the policies made by the Board. In some cases, the Board makes the rules. These five men were elected by the citizens of Wasco to serve for a term of four years. The decisions made by the Board affect both the students and the teachers at Wasco High. In California, the responsibilities of the Board of Trustees has more significance than in other states. These responsibilities are difficult and time consuming. The men are dedicated to their job and willing to spend the time and effort required to keep our school running smoothly. On behalf of the Student Body of Wasco High, we would like to thank them for the great job they are doing.

Running A School Requires

Mr. Richard Hollister
Principal

Dear Students:

I am sure, you will enjoy looking through your annual, and recalling all the fun times that you had in high school during the year. High school is a fine opportunity for each of you to gain an education, to develop personal skills, and to have a fun time with the activities that high school has to offer. Hopefully, you have learned from your teachers, coaches, counselors and other adult staff members.

We the administration at Wasco High School, feel very honored, in that we have had an opportunity to participate with you at Wasco High School. Hopefully, you will feel comfortable in seeking our help whenever you have problems or concerns about your high school.

We hope that you have had a good school year, and that this book brings back pleasant memories.

Have a good summer.

Sincerely,

Richard Hollister

The administration lays the groundwork of knowledge and background with which each student of Wasco High builds a future. The education, guidance, and inspiration students receive from school experience reflects the devotion of our administrators.

Sometimes students do not realize how much work is required to establish a firm foundation for an effective school system. It takes a lot of time and responsibility, but our administrators have worked diligently with the students' best interests in mind. It is because of their hard work that we students can attend as fine a school as Wasco High.

Wasco High, for 1977-78 has its very own Teacher of the Year. And that same man has been bestowed the honor of Kern County Teacher of the year. This man's name is Jim Rowbottom. Jim has made many contributions to the school and community. He has done volunteer work for the red cross and Heart Association and he also has been on call for the Wasco Ambulance. Mr. Rowbottom has benefited our school in many ways. He coached basketball for nine years, and girls powder puff football for 12. He is the chairman of the math department and is coach of our great math team.

Mr. Rowbottom received a letter from the County Superintendents office that he had been nominated for the award. In June he was informed that he had received the award.

Mr. Row stated in an interview, "I have enjoyed my twelve years at Wasco High School. I feel fortunate to have been associated with so many fine young people. It's the students that make teaching such a worthwhile profession."

Activity And Leisure

On October 2, 1977, Mrs. Jo Nixon retired as Cafeteria Supervisor for Wasco Union High School after twenty-five years of service. She began work for the high school in 1952 as pastry cook, and in 1965 she became supervisor. Jo's sense of humor and positive attitude toward students and staff made her years at Wasco High enjoyable for all. Most of the students, respectfully call her "Grandma." Mrs. Nixon and husband Fate came to Wasco from Texas in 1934. Since they both are retired, they plan on traveling "to the best fishing holes" and spending time with their fifteen grandchildren.

The Junior class became very involved in school activities this past year. Their spirit contributed greatly to our rallies, and their enthusiasm was greatly appreciated by all. During football season, the Junior class held a dance with "Coffee Dog" providing the music. They also held a Valentine sale in February and sponsored the Junior-Senior Banquet on May 13th. They are now looking forward to becoming the leaders of Wasco High School.

Now that the sophomores have taken their turn at being freshman, they have returned to Wasco High to show us what they've learned. Money raisers for the 77-78 year were a T-shirt sale and a couple of good dances. The sophomore class had a lot of spirit, winning spirit competitions at rallies and running a close second to the seniors for the float competition. Their contribution to the student body assures that the years to come will be very successful for the class of "80."

This year the freshmen came to Wasco High ready to get involved in student government and in activities. They have found that student government in high school is different from what they have been used to in the past. With better organized meetings, freshmen are learning what student government is all about. When their time comes, they will be ready to lead, help, and improve our school.

Since this year has come to an end, I hope that maybe this year has been as fulfilling for you as it has been for me. I'd like to thank all of you for electing me to this position. It's been the most exciting year of my life. I'll never forget my years at Wasco High or the people I've learned to love.

I'd like to thank Ms. Whisler for all the hours, help and guidance she has given myself and the Ex-Board. Mr. Dillingham, with his experience, was there when we couldn't figure out what to do. I also can't forget the entire Ex-Board, especially my right hand "person" Debbie Santiago.

Thanks again,

This year we were really blessed with a great Student Council. They were very efficient in making decisions. A great deal of the work was accomplished this year by committees of workers. The reason they were so successful, is that they were willing to get involved in discussion and in hard work. Thanks to the Student Body officers, the meetings were very orderly. The students who became involved in Student Council found it to be lots of work but lots of fun. Student Council, you did a great job! Thanks.

I am not a terrific writer, but I just want to thank you for being so friendly. I really enjoyed the short time I stayed here. I learned a lot of things about people and another manner of life. It was a great experience and I hope some of you will have the chance to do it sometime. I would be glad to see one of you in my country someday.

Wasco High has added a new sport to their Athletics program, we now have a golf team. Gary Cheatwood is the coach and he is well qualified for the job, he has played in several tournaments, and enjoys the sport tremendously.

The golf team will be competing in the South Sequoia League. There will be three rounds, with a total of 15 games played. We wish the Wasco High Golf Team good luck.

Just as their smiling faces radiate warmth, their cheering voices radiate spirit. In August these girls went to camp in order to improve their skills. They are always willing to learn new ways of expressing their spirit to the school and teams.

One way they found to increase this was to get S.R.C. to participate more fully. They wrote spirit letter and baked cupcakes for the teams. They deserve a lot of credit for spreading spirit throughout the school.

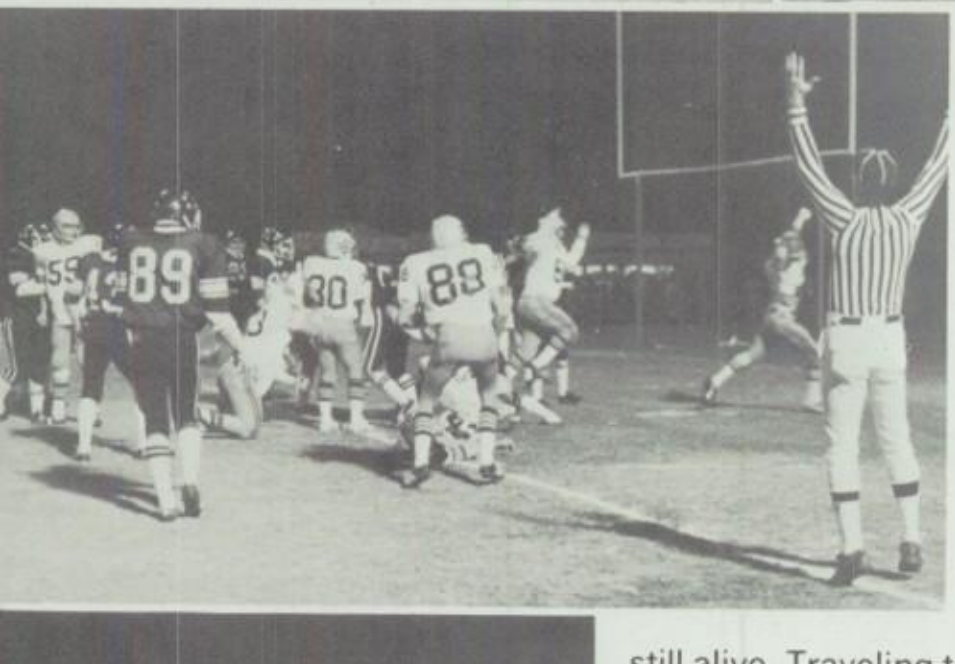
Shafter Game Highlights A Tough Season



The 1977 Tigers faced one of the toughest schedules in their recent history. They open with North Bakersfield High to a 0-21 defeat. But, the Tigers came back with three fine games, gaining over Porterville and Lemoore, and a tie with McFarland. Then the tigers played the #1 rated team in the Valley — Mount Whitney. Robin Messick scored on the first offensive play of the game, to put Wasco on the scoreboard first. Fighting all the way in a game that could have gone either way, Wasco finally had to accept a 29-20 defeat.

Wasco's first league game was the Homecoming game against Garces. Things looked good for the Tigers as they led 15-13. Then, with ten seconds left in the game, the Garces Rams scored another touchdown to win 19-15. The following week in their fourth and final home game, Wasco bounced back to beat Coaling 14-13. The next game came against the eventual league champions — Taft. Wasco's only score came from an interception by Tony Sharp, which he carried down for the score.

Since two teams went to the playoffs, Wasco's hopes were still alive. Traveling to Corcoran, Wassco fought hard, but the game ended in a 22-22 tie, and Coalinga went to the playoffs with Taft.

With this behind them, Wasco faced only one more game in their '77 season, the biggie: Wasco Vs. Shafter. In this game each of the Tigers played to their top capabilities. And, Wasco won 28-24. Sheldon Smith was looking good as he carried the ball 29 times for 226 yards and two touchdowns. (Sheldon's stats for his two year varsity career were impressive: 2116 yards on 332 carries.) Sheldon was voted all-league on the Offensive first team. The only three year letterman for this year was also a three year all-league player at the middle-guard position: Harvey Dodd. Many coaches and officials said that Harvey was the best downlineman they had seen in a long time. Harvey's three year tackle stats were tremendous as they showed a total of 310 tackles assisted and unassisted. Many other seniors who had a fine year were pointed out by the coach. These were Dennis Colbert, Ramerio Hernandez, Tony Cole, Jerry Bozarth, Frank Lugo, Joaquin Aguerria, Aubrey Tappin, Robby Martin, John Wedel (voted all-league first team offensively and second team defensively), Kenny Moore (second team offensively and was also voted co-captain by his team mates), Kendall Funk (first team defensively and was picked as Most-Improved by the coaches, he was also Most Scholastic), Tony Sharp (first team defensive and voted Most Valuable by his team mates). Also receiving all-league recognition were two juniors: Mark Bolin (first team defensively), and Ted Bloemhof (second team defensively).

Dedication And Hard Work

The 1977 Junior Varsity football team finished the season with a record of two wins and 8 losses. Despite this disappointing record, the players showed their real character by never giving up and never letting themselves get down. Throughout the season the players and coaches were a very close-knit group and certainly had a personality completely unique to any other team before. This group of athletes learned to work very hard as a team and learned that hard work does not always bring victory. Each of the players on the team knows that what they gained from being together for twelve weeks could never be reflected in terms of a win-loss record. Congratulations on a good football season.

Our frosh-soph football team had a very good season in 1977. Their record for the year was four losses and four wins. At the beginning of the season, the team wasn't doing very well. Being freshmen or first year sophomores, they lacked the needed experience. By the time league began, they got their heads together and began playing like a football team. Our Kittens were undefeated in league until the Shafter-Wasco game. Shafter was also undefeated until this game. This encounter resulted in an extremely suspenseful night of action, but Wasco had to settle for second place in league. Brandon's first year men stayed with Shafter till the fourth quarter when Shafter scored. It was a 7-0 victory for Shafter, but Wasco really made the going rough for the rival Bucks. Congratulations to you frosh-soph players for a good season.

Coach Kathie Chaney instilled a "Positive Mental Attitude" into her Volleyball players as one of the most beneficiary concepts for the seasons. This had a great effect on the team members and helped them to fight hard for their wins.

The Varsity team broke even in league with five wins and five losses. Tami Stewart was voted the Captain of the team while the Most Valuable Player award went to Debbie Santiago. The voting was done by these girls' teammates. Coach Chaney chose Vetrice Chappel as the Most Improved in this sport, and Kathy Siliznoff received the Scholastic award.

A 4-2 offense was used this year which meant that there were two designated setters and four hitters. This allowed for the team to develop strong spikers.

A great deal of credit and thanks belongs to Chris Crawford. He was at many of the practice sessions helping Coach Chaney. Together, they provided an excellent atmosphere for the advancement of skills and knowledge in the field of Volleyball. All of the players greatly benefitted from this.

Some of the techniques used to better the players' skills were the result of attendance at the Reedley Volleyball Camp. These new ideas were absorbed by Coach Chaney, accompanied by Shelly McLaughlin, Debbie Santiago, and Caroline Nicol who participated in this week-long adventure. Hopefully, many more players will gain the same advantages of these four next summer.

Managers: Audrey Barling, Mary Struemph, Julie Richardson.

A good league record was achieved during the 1977 Volleyball season by the junior varsity squad. This was partially due to the good relationships that developed between the members of this team. These girls won seven out of ten league outings by communicating with each other and getting along well.

Being an experienced team enabled the junior varsity to "plow ever onward" toward success. Four juniors headed this team; two of whom had played Volleyball the previous two years. Mandy Santiago was voted team Captain by her fellow team members. Caroline Nicol received the Scholastic award. Both of these girls are juniors. Few people realize how much effort is required to have a superior Volleyball team. A lot of organization is necessary because of the season is extremely short. Also, there are only a few days to practice between each game. Therefore, the girls must work diligently on their skills at those times. Furthermore, this sport is highly technical. In other words, the way in which players strike the ball and make their formations has to be precise. Coach Chaney spent many hours helping the team achieve these skills. Excellent management by Audrey Barling, Julie Richardson, and Mary Struemph was greatly beneficial to the team. Several J.V. players demonstrated good skills which will enable Wasco to develop a strong Varsity team next year. We expect a winning season in '78.

Head: K. Elmore

This year's J.V. Cheerleaders helped boost our school spirit.

These girls traveled everywhere with our teams. They helped their teams with cupcake baking, good luck grams, and making posters for the teams. They were always one hundred percent behind the tigers.

Besides doing all this, they had to keep up with their schoolwork and other extracurricular activities.

They deserve a lot of credit for doing a great job.

With the loss of the team's two top runners before the season even started, Coach Darby was faced with the problem of forming a varsity team. Young, inexperienced runers were put on the varsity squad, which led to the weakening of the overall team.

With so many young runners on the team, it should give Wasco a big boost for the future. We will have nine juniors, six sophomores and eight freshmen returning next year.

Juan Reyna was awarded Varsity Captain and was chosen the most valuable runner because of his strong desire to improve and his willingness to work hard. Gus Varela was elected the Frosh-Soph Captain and Cullen McCarthy won the Scholastic award with a 3.83 grade point average. The team's most improved runner award went to Leroy Heath who showed steady improvement all season.

This year for the first time since girls have been involved in cross country running, they had their own coach. Mrs. Wanda Crawford, assisted by her husband, Vernan, coached the 1977 Girls Cross Country team. These four girls were Yvonne Fox — junior; Barbara Holt — junior; Elaine Kent — junior; and, Sherry Munnerlyn — sophomore. Towards the end of the season they were joined by still another junior — Janet Lucas.

Dedication was a big part of the training. Running five or more miles a day takes quite a bit of will power. They ran well only o lose to Shafter by one point at the league meet. Voted captain and Most Valuable for the team was Sherry Munnerlynn. Barara Holt was Most Scholastic, and, also picked as Most Improved.

Once again, Jim Parker coached the Varsity Basketball team. Parker and the young men on this squad faced a tough season. Half of their encounters turned out to be victories during league while the remaining five were defeats.

The first game played against Shafter resulted in a score of 60-65, Shafter's favor. But the second game with Shafter ended in a victory for Wasco, 79-61. Needless to say, this brought about a great deal of excitement and joy.

Corcoran too was overwhelmed by the Wasco Varsity team. Unfortunately, the first game was lost to the Horned Toads by one point. Wasco came back in the last game of the season versus Corcoran to score a 54-52 win.

Many long hours of practice were incurred upon these young men. They worked diligently at practices to improve their shooting and assorted plays. Danny Wilcox was moved from the J.V. team to the Varsity line-up midway through the season because of his skill and hard work.

It is expected that next year holds the prospect of possibly a league title since the team will be more experienced. Actually, most of the varsity members will be returning letter men next year along with some additions from this year's J.V. squad. This should result in a superior season filled with excitement for both the players and the spectators.

Psyching up for the game.

Hey, I'll take it.

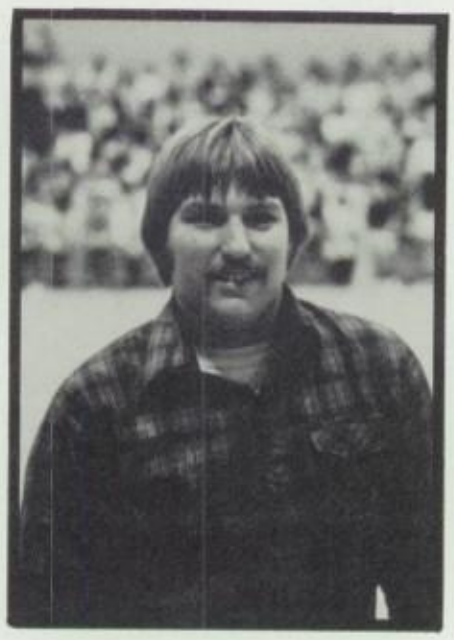
The 1977-1978 Wasco High School Tigerette Basketball Team, the first Girl's Basketball Team to ever compete in the South Sequoia League for Wasco Union High School, surprised the public with their outstanding 10-0 winning record in South League play. They went on to compete in the Valley Championship, meeting two other topranked teams from the San Joaquin Valley area. They wrapped up their first winning season with a 12-6 overall record. Quite a showing for their first year as a team!!

The Tigerettes were lead in scoring by Senior Lavinia Noldon with a total of 110 points in league play. Other outstanding players included Senior Susan Bozarth, with 90 points, Senior Debbie Santiago, with 93 points, and Senior Vivian Taylor with 86 points. Senior Debbie Hernstedt showed her skill in defense throughout the season and also managed to score 69 points for her team. Fine support was given the team by Senior Vetrice Chappel, who scored 52 points, Sophomore Kim Reding, Freshman Brenda Diseth, Freshman Debbie Nixon and Senior Tami Stewart. The girls worked as a team throughout the season and took great pride in their accomplishments.

The Tigerettes team was given a practice time of 7:00 a.m. to 8:00 a.m. each morning. In this hour interval, the team managed to work on fundamentals, team offense and defense, as well as scrimmage. Their punctuality in coming to practice demonstrated their desire to achieve the League Championship.



Coach John Gallagher.

As a result of the various skills of the team members, combined with the enthusiasm and spirit to win, the girls played each league game seriously and confidently. In the end, they won themselves the League title.

The Wasco Union High School Tigerettes Basketball Team should be an inspiration to all Girl's athletic teams in the future years. To strive to be the best is the only way to compete and to win.

Coach Cheatwood

They're all ears.

A very inexperienced junior varsity Basketball team made an impressive showing. The 1977-1978 team was coached by Gary Cheatwood. None of the players had been on this team before; some played on the frosh-soph squad last year. But these young men really got themselves together as a team.

There was always excitement in each game. But five of the league outings resulted in disappointments while the other five were victories according to the score board. However, if the satisfaction of playing well and enjoying the competition of other schools is considered, then most of the games played by this squad would be termed victorious.

Great expectations for next years team are held by many. If the 1977-1978 squad is any indication of future talent then Wasco can look forward to more exciting games, and perhaps a championship. So, support these young men; they are the future Wasco Tigers.

The Wasco High Wrestling teams had some very dedicated wrestlers this year. They also had some who were not so dedicated and to make things more difficult, they had more than their share of injuries and illness. With problems like these it makes it next to impossible to win a championship.

Although being 2nd in league didn't put a smile on our wrestlers' faces, there were a few bright spots during the season. Kendall Funk had a moment of victory over his Shafter opponent at Morro Bay. Kenneth Moore took 1st at the Central and Morro Bay tournaments and was also chosen outstanding wrestler at Morro Bay. David Reimer took 1st at the Central tourney. Varsity wrestlers George Romero, Juan Reyna, Ramiro Hernandez, and Kenneth Moore brought league championships home to Wasco High. Juan Reyna, a junior, took sixth at the Valley meet. But, the moment that put smiles on all Wasco faces was when Kenny Moore had the "Mug" from Shafter counting the lights on the gym ceiling for 6 points.

With several returning lettermen and tough J.V. wrestlers moving up, next year looks good for the Wasco High wrestling team. Being #2 makes you try harder and it's a sure bet our wrestlers will be more dedicated and work harder. They've already got all the pride it takes to come out on top again and be #1.

Thrill of victory — agony of defeat.

After owning the league title for six consecutive years, the cubs succumed to Shafter. Wasco began the season by defeating Coalinga and Corcoran with great domination. Then they suffered their first league loss to Shafter.

Going into the second round, the cubs were 2 and 1 in league play. Again the cubs stomped on Colinga and Corcoran. Now came the show-down for the league championship with Shafter. The cubs gave great effort but came up on the short end of the score, 33-17.

Watch out! The cubs will come back even stronger next year.

Last year the varsity track team again proved their superiority. They were league champs with a record of 18 wins and 0 losses. It made the eighth league championship of the past nine years. The team holds a school record of 43 consecutive wins. This record and also the league record have never been equaled by any other school.

The Wasco team overran the opposing teams with none of them coming close to our champs. At the league championship meet Wasco won with a score of 224 points. The closest scoring team was Corcoran with 74 points. A difference of 150 points! That was just one accomplishment of Wasco's #1 trackmen.

The track team expect to bring another championship back to Wasco this year. They have a very good team with some exceptional individuals. Just the makings for a championship team and a championship team is what we've got. Congratulations to our #1 track men.

The girls' track team had a very good season last year. It was the second year for the team and they placed second in league. There were some exceptional athletes on last years team and most of them will be returning this year. This year will be the first time we will have an experienced team and they are expected to do very well. The girls are a very dedicated and hard working team. The coach for the second year in a row is John Gallagher. Good luck and congratulations on a good season!

The divers are a very important part of the swim team. Sometimes, a meet may be won or lost according to the diving results. Therefore, each diver puts in many long hours each week in preparation. The 1978 guys and gals show a good deal of self-discipline necessary to achieve good form for top scores. Six girls and two boys will be twisting and ending, jumping and soaring, to new heights in hopes of a winning season and possibly new school records this year.

Crutchfields "seal" the sibling gap.

Ten, nine, eight . . .

Due to the time of our publication, last year's results of swimming are included in this year's annual.

Coach Kirk Chambers watched the girls' swim team break six school records during the 1977 season. Four of those records evolved from the superior swimming of two freshmen. Ninth grader Mary Scales completed the 200 I.M. in 2:32.22 for a new record. Fellow classmate Debbie Nugent swam the 500 Free in 5:58.0 and the 100 Back in 1:10.4 to set new marks. The time achieved by Jennifer Schmidt in the 100 Butterfly for her record was 1:12.0. When Nugent, Penny Wheat, DeAnne Ward, and Scales were combined in the 400 Free Relay, they wiped-out all old times with their fast time of 4:08.6.

Our 1978 swimming team has a new coach; she is Miss Jan Hagen. The excitement due to a new coach and a new team may enable the girls to attain a championship season. This certainly is the hope of all those involved with the sport of swimming.

The South Sequoia League was again conquered by the boys' swim team in 1977. Not one team in the league was able to out score our boys. Since the Yearbook was published before the team started league, the previous year's accomplishments are included within the score box.

Four of Wasco's school records were spashed away in nineteen seventy-seven. Mark Scales, Corey Wolf, Shawn Shambaugh and Billy Tuttle united their efforts in the 200 Medley Relay to bring the record down to 1:50.1 Richard Hagen broke the 200 Free record with a time of 1:54.2 while Mark Scales spashed his way to a new school record in the 200 I.M. by completing that swim in 2:16.5 A score of 288.05 was achieved by Steve Burt for eleven dives which also set a new standard. In all, these guys along with the remaining members of the 1977 team set high goals for future teams to strive for.

Jan Hagen is now coaching the swim teams. Although the number of boys participating in the swim program has decreased for 1978, a hopeful outlook still exists. It is believed that quality instead of quantity will prevail this year.

Swimmers records, yardage, and equipment will be kept in order this year by nine Managers. Phllis Devoe, Kristi Azevedo, Caroline Nicol, Sharon Allen, Saundra Tiner, Julie Moore, Adrienne Craig, Lisa Rolin, and Terri Waldrip will be providing their time and efforts to help the 1978 Swimming teams achieve the best possible results.

Mr. and Mrs. Ray Rexius — For all those blow-ups, snap shots, and long talks over the counter.

Mrs. Helen Gafner — For watching over our money and keeping our records.

Mrs. Gloria Whitworth — For all those student lists.

Mrs. Karen Hornbuckle and Mrs. Lila Forney — For holding those administrators while we snapped their pictures.

Miss Jo Whisler — For being there and unlocking the door.

Thank you and good night,

Shelly & Jerry
